Dear Prof. Yeong-Hsiang Cheng,

On behalf of the Organizing Committee of IPVS 2012, we are pleased to inform you that your abstract has been accepted for the Oral Session as follows:

- Abstract Submission No.: **S00606**
- Abstract Title: **Bacillus subtilis on soy antigenic protein degradation and effects on growth performance in weaning piglets**
- Presenting Author: **Yeong-Hsiang Cheng**
- Session Date & Time: **June 12 (Tue), 16:00-16:15**
- Presentation Duration: 15 min.

Further, we would like you to note the following:

[Presenter Registration]

Due to the session allocation and publication schedule, the presenter should complete the registration process for the congress with full payment of the registration fee.

Even if you missed early registration due to the timing of the mailing acceptance notice, presenter's registrations will be considered as early registration until **April 6, 2012** and please refer attached registration guideline.

Kindly note that the above applies only until **April 6**, and your registration fee will be raised to the regular tariff afterward.

In addition, if you cannot complete your registration with full payment until April 30 (final due date), your abstract shall not be included in the abstract book.

[Oral Session Guidelines]

The presentation guideline for the Oral Session will be posted on the IPVS 2012 website and also mailed to you from April 1, 2012.

We firmly believe that your contribution will make IPVS 2012 successful. Should you have any questions, please contact the secretariat by e-mail (sci@ipvs2012.kr).

We are looking forward to seeing you in Jeju in June.

Sincerely yours,

Won Hyung Lee, D.V.M., Ph.D.
